Mayor and Council:

The Montana Department of Transportation has confirmed a pre construction meeting here in Red Lodge for the projects that are planned for this summer on Highway 212. In addition to staff from the Montana Department of Transportation, the Contractor and their Public Relations firm will be in attendance. Here are the details:

**Location:** City Council Chambers, 1 South Platt Avenue  
**Date:** March 25, 2014  
**Time:** 2:00 to 5:00 p.m.

**There will also be a presentation to the City Council as part of the regular Council meeting at 7:00 p.m on March 25th.**

While there may be other meetings during the course of construction, this could be the last opportunity to voice questions and concerns prior to the start of construction.
