SUREY PROPOSAL

Requested By: Peter Italiano – City of Red Lodge Community Development Director

RE: Topographic mapping for future planning and development in the vicinity of Coal Miner's Park and Lion's Park.

Dear Peter,

Thank you for contacting Red Lodge Surveying, Inc. in regards to the above described project. Tasks to be completed and fees are outlined below:

Coal Miner's Park:

Pre field computations and worksheets to expedite field surveys.

Field survey to tie existing structures and topographic features including boundary of the Nature Center, path ways along Rock Creek, lands along the east side of Haggin Avenue Extension and stake corners of High School lease

Lion's Park:

Pre field computations and worksheets to expedite field surveys.

Field survey to tie the existing structures and topographic features around the Art's Guild building, Public Restroom building and Gazebo, including the new parking area east of the Arts Guild and the southerly portion of the U.S. Bank property.

Prepare and deliver maps to the City of Red Lodge in both electronic and hard copy formats.

All survey data to be on City of Red Lodge horizontal and vertical control network datum.

Costs: Our not to exceed cost for the above tasks is \$5,200. We can commence work within one week of your approval.
