Dear Mayor Williams and City Council members,

I would like to apply for the volunteer position available on the City of Red Lodge's Parks Board.

I am a retired educator, having taught in Wisconsin for 27 years. Upon moving to Montana in 2007, my husband and son and I started Back Alley Metals. I now have retired from that business as well. I currently work part time at the Chamber/Visitors Center here in town.

I currently serve on the board of Beartooth Recreational Trails Association (BRTA), and have hiked extensively throughout the Beartooth Mountains as well as on our city's trails. I know how important our city parks are to our visitors as well as to our local folks.

Thank you for your consideration.

Sincerely,

Corey Thompson

Subject: PARKS BOARD OPENING

Good Evening Mr. James,

This is Stone Belvin from Farmers Insurance Irene Belvin Agency here in Red Lodge, Montana. I am emailing to let you know of my interest in the open position on the Red Lodge Parks Board.

A little bit of background on myself. I am a recent graduate of Columbus High School and currently am employed at both Farmers Insurance and Red Lodge Mountain Golf Course & Resort. I have done quite a bit of traveling and have also experienced the ambiance of quite a few different golf courses and parks. I am knowledgeable about what it takes to maintain an area like these parks and also could put some input as to what could be helped or changed. I also have areas of influence in different parts of this lovely town as well. I am currently an active member of the Red Lodge Rotary and know many of the businesses in this town through both the golf course and insurance life.

I would like this opportunity of being on the Parks Board to better be a part of this amazing little community. I feel that I can work well with the others on the board and help to make changes for the better of Red Lodge. I see this position as an opening for better getting involved in making a difference in the community that I now live and work in. I would very much appreciate an opportunity to do so. I am completely free to answer any questions you may have either via email, office phone, or personal cell (406)-794-5220.

Thank you for your time and I hope you have a wonderful rest of your evening!

-Stone
