

Recycling Board Meeting March 12, 2018

Review minutes of last meeting not available

Select a new Recycling Board chair no quorum

Electronic Recycling - Bill Foisy Presentation. August 18 is electronic recycling day in RL. Committee looking for 1) Grants that award \$1-2000 for a certified recycler 2) Forklift for Aug. 18 3) Pre event coordinator 4) non profit bulk mailing permit. Julia Jones from Republic indicated that she and Bill should talk about a potential partnership.

Composting - Betsy Scanlin - Here on behalf of RL Resource Council. Encouraged recycling of tree branches and limbs, esp from last September's storm. Rocky Mt. Compost from Billings will shred. Issues: cost to city for bin and shredding.

View Republic's reminder stickers for residential and public cans.

Enforcement? - Julia Jones from Republic had prototype available. These were presented at Council Tues. Mar. 13 as well. Drivers will begin implementing this system, maybe yet this week!

Other Republic Services issues (FYIs for Recycling Board)

1. Remainder of city's residential cans switched to Kodiak - on stickers.

2. Map of service areas/days for the city's website - should be completed and put on the city's website yet this month.

3. Mass mailing to customers to:

- Mention holidays observed
- No extra garbage on side of can
- Grass clippings and trimmed branches ok when bagged/cut
- Extra can available and how
- Curbside recycle available

In progress.

Review/amend Republic's summer/winter contract of public garbage cans and recycling cans - Julia, Michael, and Corey completed this

- * May 18th in Republic's Clean up Day
- * April 21 Earth Day - parks clean up and block party
