

Cemetery Board Minutes: April 14, 2015

Meeting called to order at 5:10 at Red Lodge City Hall by Jim Hilderman.

Members present: Burt Douthit, Maryvette Labrie, Polly Richter, Jim Bushnell, Jim Hilderman

Members absent: Dan Gainer

Meeting brought to order by Jim Hilderman.

Minutes of previous meeting of November 10th, 2014 were approved as submitted.

Jim Hilderman spoke with Jeff Hunter. Jeff Hunter will be in Red Lodge in May. It would be ideal to ask him to attend our May meeting if possible. Jim Hilderman will contact him and ask him to meet with Jim Bushnell to look at the building. Jim Hilderman will contact the Historical Society in Red Lodge and Helena. There is a mausoleum in Billings at the Mountain View Cemetery that may have information on their structure which is similar to Red Lodge, Burt Douthit will contact someone from there and have information to present at the next meeting.

There was discussion regarding the resolution passed on to the City Council. All members expressed disappointment in the changes that were made and passed.

Jim Bushnell will get some cost estimates on putting in a sprinkler system. It will require a new pump, well and pipe. Jim Bushnell and his Public Works department will be making repairs at the cemetery before Memorial Day. The old storage building and sprinkler lines will be removed.

If anyone knows of volunteers that can assist the Public Works department during the week, let Jim Bushnell know.

Meeting adjourned at 5:37. The next scheduled meeting will be May 12th, 2015 unless necessary before then.

Minutes submitted by Maryvette Labrie
