Minutes of the June 14, 2016 meeting will be approved at the August meeting.

Jim Bushnell has a contract signed with Bradford for the roof. He will get a color that matches the turret covers. Both part-time workers are doing a great job.

Dan Gainer provided the board with the memo, dated June 21, 2016, that was given to the commissioners with the final numbers for the district. The County has been given the numbers from the Department of Revenue and are now working on the wording of the resolution. The Commissioners are also contemplating holding another public hearing on the district. Dan suggested that we put a brief article in the paper regarding the update of what is happening to keep the public informed.

There was no communication from the public.

Meeting was adjourned at 5:38pm. The next scheduled meeting will be August 9th at 5pm.
