

Cemetery Board Minutes: September 8, 2015

Meeting called to order at 5:15pm at Red Lodge City Hall by Dan Gainer

Members present: Burt Douthit, Maryvette Labrie, Polly Richter, Jim Bushnell, Dan Gainer,

Members absent: Jim Hilderman

Minutes of July 14<sup>th</sup> meeting will presented at the October meeting.

Jim Bushnell reported that the forms have been poured at the mausoleum. He is still looking for a roofer and painter for the completion of the project. The roof will need to be resheeted. Jim has contacted three contractors with no call backs.

Jim Bushnell reported that the new employee did a great job, but quit two weeks early due to the stress and high traffic from the road construction. With the proposed raise to the cemetery employee next year, he hopes to find someone that will stay with the job. The water will be shut off for the season.

Dan Gainer read through 7-11-1011, stating that precinct 11 will need to be looked at carefully to not overlap with the cemetery districts already in place in that district. The Cemetery Board will need to look at a copy of a previous referendum and be on the primary in 2016.

Meeting was adjourned at 5:50. The next scheduled meeting will be October 13<sup>th</sup>, 2015.

Minutes submitted by Maryvette Labrie
