

Cemetery Board Minutes: November 10, 2014

Meeting called to order at 5:30 at Red Lodge City Hall by Dan Gainer.

Members present: Burt Douthit, Dan Gainer, Maryvette Labrie, Polly Richter, Jim Bushnell

Members absent: Jim Hilderman

Meeting brought to order by Dan Gainer.

Minutes of previous meeting of October 14th were approved as submitted.

Dan Gainer and Jim Hilderman met with Jeff Hunter. They looked at the mausoleum and mentioned the cracks are not due to settling. He will look at the roof and inside. There needs to be more research with the Historical Society on the building. Possible pictures and information on the building of the structure if they can be located. Jeff will look into how the stucco was put on. He can restore it to it's original look. He will get us a number on cost this winter.

Dan Gainer read through the first page of the resolution. Motion to approve and pass the resolution as presented with minor corrections to the Public Works committee for consideration and approval of the Red Lodge City Council was made by Maryvette Labrie. Seconded by Burt Douthit. All in favor.

Jim Bushnell reported that the mausoleum and sprinkler system have been suggested as two of the top twenty-five projects in the CIP. The storage building and old sprinkler system will be removed from the grounds. The plans for the expansion of the veterans section have been mapped out and sent to the American Legion for their information. The new section is designated as the veterans section and no other persons will be placed there.

Meeting adjourned at 6:14. The next scheduled meeting will be April 14th, 2015 unless necessary before then.
