

Red Lodge Area Parks and Recreation District

The purpose of establishing a Red Lodge Area Parks and Recreation District is to maintain and improve the City's parks, trails, and open spaces.

- The contribution to a Parks and Recreation District would be approximately \$43.20 annually for a property valued at \$200,000 - that is \$3.60 per month
- Renovation of the city pool would enable the pool to continue to serve over 2,000 daily throughout the summer
- The pool and skate park need significant improvements
- The tennis courts and basketball courts will need maintenance in the coming years
- Projects like permanent restrooms in Rotary Park and a more extensive, interconnected trail network would be possible
